Dear Student,

Before filling out the application, please read the all information on how to apply on-line, the programs offered by the higher education institution, study abroad

- Admissions Office

- Common Educational Proficiency Assessment (CEPA)

- Programs offered by:

- United Arab Emirates University (UAEU)
- Higher Colleges of Technology (HCT)
- Zayed University (ZU)
- Abu Dhabi Vocational Education and Training Institute (ADVETI)
- Emirates College for Advanced Education (ECAE)
- Khalifa University

- Information about Scholarship:

- Certificate Equivalency Department - For students who plan to study overseas independently
- For students who wish to study in a private institution in the United Arab Emirates

Please read the student guide before filling out the application form:

1. Student Information: Make sure to provide accurate information as written in the passport, family book and Emirates identity card.
  2. Contact details: NAPO maintains constant communication with all applicants during the school year. We will keep you updated on a regular basis, via the SMS service, about
  3. Health status: It is important to provide us with information about your health. NAPO applicants with disabilities such as vision, hearing and physical impairments as well as
  4. School details: Please ensure that you have typed/selected the correct name of your school, education zone, branch and the curriculum.
  5. Study preferences: Before completing this step, we recommend you to learn more about the programs offered by the federal institutions as well as the study abroad
- If you apply to UAEU, you are eligible to select a major (science, engineering, etc.) depending on your study stream in the secondary school.
  - It is important to select a university close to your place of residence.

After you complete the five steps and submit your application, you will get an application numbers starting with 2015.

The next and important step is to upload the required valid official documents. In the case any documents are missing, your application will be considered incomplete and may not be considered for admission. **Hence, make sure to submit the all the required documents and update a passport size photo, which is mandatory for the CEPA exam registration.**

Log in to your page on the student portal using your username and password. You can contact the NAPO office through the portal, register for the CEPA, print out the CEPA-

We wish you success in your academic endeavors.

**I certify that the information provided on this application and the uploaded documents are true and accurate.**

Health Details

It is important to provide us with information about your health. NAPO applicants with disabilities such as vision, hearing and physical impairments as well as learning difficulties, and common and intractable diseases must reveal information about their disabilities in order for the institutions to provide appropriate medical support and a proper academic environment. Also, special accommodations for the CEPA exam will be offered to such applicants. Diagnostic information related to the applicant's disability is highly confidential. It does not influence the acceptance decision.

**Have any disability?**
