School Uniform Guide for Public School Students

2025 - 2026 academic year

Introduction

For the 2025-2026 academic year, public school students from KG to Grade 12 can purchase uniforms at LuLu Hypermarket branches across the UAE or via the group's website.

The school uniform reflects key national and educational values the Ministry aims to instil in students. It is thoughtfully designed to suit all age groups, support physical activity, and foster a positive learning environment.

This guide provides detailed information on school uniforms for each cycle, including prices and other relevant details.

Guidelines on school uniform and student appearance during school hours

01

All students are required to wear the approved school uniform specific to their grade level.

02

The school uniform must be neat, tidy, and clean.

03

Students must wear black, fully enclosed flat shoes or black sneakers with white socks as part of the school uniform. Sneakers in other colours are allowed with the sports uniform on sports days or during extracurricular activities.

04

Hair must be styled in line with local customs and must not be dyed.

05

Female Cycle 3 students can wear a black, white or navy blue shayla with the approved school uniform.

06

Male students must wear white undergarments under the kandura with formal or sports shoes; an essama is optional.

07

All students must wear the sports uniform during PE classes in line with the approved school schedule.

08

Nail polish and makeup are not allowed in school.

09

Ongoing checks will be carried out to ensure all students comply with the approved school uniform policy.

10

Parents will be notified if a student violates the school uniform or appearance rules so they can take the necessary action.
