The National Bullying Prevention Week

الأسبوع الوطني للوقاية من التنمر
The National Bullying Prevention Week

Under the patronage of
H.H Sheikha Fatima Bint Mubarak
Mother Of The Nation

The campaign aims to raise awareness about bullying
From 22 until 28 April 2018

#Flourish_together

#معا_نزهة

Bullying is unwanted aggressive behavior by a student or group of students, with the intention of causing harm, involving an observed or perceived power imbalance. These behaviors occur between peers and are repeated.

■ **Parties:** Bully, Victim, Bystanders.

■ **Types Of Bullying**

Bullying is classified into the following types

■ **Verbal Bullying**

Threatening to cause harm -name calling- teasing – harsh criticism-spreading rumours -taunting.

■ **Social Bullying**

Refusing social interaction-rude hand gestures – social isolation – leaving someone out.

■ **Physical Bullying**

Hitting – tripping/pushing – throwing or taking someone’s belongings .

■ **Cyberbullying**

Using digital devices and online tools such as social media to insult or threaten, blackmail, damage the reputation of someone.

■ **Factors That Increase The Likelihood Of Bullying**

- Lack of empathy and compassion
- Lack of self-esteem
- Being concerned with self-image and popularity at school
- Being subject to domestic bullying, and mirroring that behavior at school
- Feeling jealous of other students
- Seeking attention
